SCI Latinx Community and COVID-19: A Continued Conversation

SCI: Moving Forward is made possible by:

About NASCIC

North American
Spinal Cord Injury
— Consortium —

The North American Spinal Cord Injury Consortium (NASCIC) has the mission to bring about unified achievements in research, care, cure, and policy by supporting collaborative efforts across the spinal cord injury community.

SCI Moving Forward

Upcoming Webinar Topics

**Positive Learnings
from COVID-19**

**July 21, 2020 @
4pm EST**

Participants

Michelle Garcia

Immigration & Latinx Community Organizer – Access Living
(Cambiando Vidas)

Access Living is a leading force in the disability community

We challenge stereotypes, protect civil rights, and champion social reforms. We are located in Chicago and have a long history of doing what it takes to make sure people with disabilities can live the lives they choose.

Vicky Perez

Health Promotion Program Specialist - Health Plan of San Mateo (HPSM)

HPSM is a local community-based health plan with a vision that *Healthy is for Everyone* – and we fight to make that possible. By partnering with providers and community organizations, we are able to advocate for our members' health and meet the highest quality of care standards.

Robert Medel

Clinical Program Coordinator – Santa Clara Health & Hospital System

The County of Santa Clara Health System is our local healthcare safety net and provider of comprehensive care, service, and program to the residents of our county. The Health System includes the Behavioral Health Services Department, Public Health Department, Santa Clara Valley Medical Center hospital and clinics, O'Connor Hospital, St. Louise Regional Hospital, Emergency Medical Services Agency, Custody Health Services Department, and Valley Health Plan. We are dedicated to the health and well-being of all communities in Santa Clara County.
